INVOICE FOR MUNICIPAL PROPERTY REPAIR

Invoice No.: RVG-PW-2026-00218 Invoice Date: 02/01/2026
Work Order: PW-SL-25-4429 Cost Center: Public Works / Street Lighting Maintenance
GL Account: 001-4720-53210 (Street Lighting — Recoverable Repairs)

BILL TO (Responsible Party)

Alder Creek Transit District
Attn: Risk & Claims — G. Espinoza
1200 Alder Creek Way
Rivergate, CA 91766

RESPONSIBLE VEHICLE

ACTD Bus #4177
(Owl service, Route 512)

REFERENCED INCIDENT

Date of Loss: 10/18/2025, approximately 02:05 a.m.
Location: Intersection of S. Main Street and Third Avenue, downtown Rivergate (northeast corner; luminaire designation SL-M-0312)
Nature of Loss: Bus-vs-fixture collision; ACTD Bus #4177 departed travel lane on S. Main Street and struck City-owned street-light standard, severing the pole at the anchor base, destroying the mast-arm luminaire, and interrupting service to the intersection lighting circuit.
RPD Traffic Collision Report: RPD Case No. 2025-1018-0037 (Officer R. Delacruz, Badge #2814) — incorporated by reference.

DESCRIPTION OF WORK PERFORMED

Emergency response, temporary lighting installation, and full restoration of the damaged street-light standard, luminaire, foundation, underground conduit, and circuit at the S. Main / Third intersection. Work performed between 10/18/2025 and 01/22/2026 by Rivergate Public Works Street Lighting crews with supporting engineering inspection.

Line	Description	Qty / Unit	Amount (USD)
1	Replacement steel light standard — 30 ft galvanized Class 3 pole, decorative Rivergate downtown series, anchor-base mount; includes handhole, cap, and hardware	1 EA	12,800.00
2	Replacement LED fixture — 175W cobra-head luminaire, 4000K, Type III distribution, photocell, mast-arm mount (replaces destroyed unit)	1 EA	3,450.00
3	New underground wiring conduit — 45 lf 2" Sch. 40 PVC, sweep elbows, pull box PB-17; includes saw-cut, trench, backfill, and pavement patch	45 LF	6,200.00
4	Restoration of power — cable pull (3/C #6 AWG), splice at feed point, panel reconnection at cabinet SL-M-03, circuit continuity and megger testing, energization	1 LS	2,400.00
5	Labor — Street Lighting Electrician (Journey-level and Apprentice), including night-shift response, foundation demolition and recasting, pole erection and dressing	112 LH	9,850.00
6	Temporary lighting rental — diesel/LED portable light tower staged at intersection during outage (10/19/2025 – 01/22/2026), including fuel and daily inspection	96 days	2,800.00
7	Traffic-control setup — MUTCD-compliant lane closure, cones, barricades, arrow board, certified flaggers (mobilization on 10/18/2025 and during restoration work windows)	1 LS	5,700.00
8	Engineering inspection — Public Works structural review of anchor bolt shear and foundation integrity; post-installation electrical inspection and as-built certification	1 LS	5,300.00

\$48,500.00

PAYMENT TERMS

Due upon receipt from responsible party. Remit to City of Rivergate, Department of Public Works, at the address above. Reference Invoice No. RVG-PW-2026-00218 on remittance. Make check payable to “City of Rivergate — Public Works Fund.” For electronic payment/ACH instructions, contact the Public Works Fiscal Office at (626) 555-0143.

Amounts not paid within thirty (30) days of receipt may be referred to the Rivergate City Attorney for collection under the City's authority to recover the cost of repair of damaged public property.

CROSS-REFERENCE

This invoice documents the itemized cost of repair supporting the City of Rivergate's property-damage claim submitted to Alder Creek Transit District on 02/02/2026 (City File No. RVG-CLM-2026-0007) arising from the 10/18/2025 collision at S. Main Street and Third Avenue.
